INDEPENDENT AUDITORS' REPORT

Governing Board and
Citizens' Oversight Committee
Rim of the World Unified School District
Lake Arrowhead, California

Report on the Financial Statements

We have audited the accompanying financial statements of the Rim of the World Unified School District's (the District), Building Fund (General Obligation Bonds, Measure W), as of June 30, 2013, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Opinion

In our opinion, the financial statements referred to previously present fairly, in all material respects, the financial position of the Building Fund (General Obligation Bonds, Measure W) of the Rim of the World Unified School District at June 30, 2013, and the results of its operations for the period then ended in conformity with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the Building Fund specific to General Obligation Bonds, Measure W, and are not intended to present fairly the financial position and results of operations of Rim of the World Unified School District in conformity with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 6, 2014, on our consideration of the District's Building Fund (General Obligation Bonds Measure W) internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered with the results of our audit.

BUILDING FUND (MEASURE W)**

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2013**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Rim of the World Unified School District Building Fund (Measure W) conform to accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB) and the American Institute of Certified Public Accountants. The Rim of the World Unified School District Building Fund accounts for financial transactions in accordance with the policies and procedures of the California School Accounting Manual.

Financial Reporting Entity

The financial statements include only the Building Fund of the Rim of the World Unified School District used to account for Measure W projects. This Fund was established to account for the expenditures of general obligation bonds issued under the General Obligation Bonds Election of 2008. These financial statements are not intended to present fairly the financial position and results of operations of the Rim of the World Unified School District in compliance with accounting principles generally accepted in the United States of America.

Fund Accounting

The operations of the Building Fund are accounted for in a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. Resources are allocated to and accounted for in the fund based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

Basis of Accounting

The Building Fund is accounted for using a flow of current financial resources measurement focus and the modified accrual basis of accounting. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. The statement of revenues, expenditures, and changes in fund balances reports on the sources (revenues and other financing sources) and uses (expenditures and other financing uses) of current financial resources.

Budgets and Budgetary Accounting

Annual budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America for all governmental funds. The District's governing board adopts an operating budget no later than July 1 in accordance with State law. A public hearing must be conducted to receive comments prior to adoption. The District's governing board satisfied these requirements. The Board revises this budget during the year to give consideration to unanticipated revenue and expenditures primarily resulting from events unknown at the time of budget adoption. The District employs budget control by minor object and by individual appropriation accounts. Expenditures cannot legally exceed appropriations by major object account.

**RIM OF THE WORLD UNIFIED SCHOOL DISTRICT
BUILDING FUND (MEASURE W)**

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2013**

Encumbrances

The District utilizes an encumbrance accounting system under which purchase orders, contracts and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation. Encumbrances are liquidated when the commitments are paid and all outstanding encumbrances are liquidated at June 30 since they do not constitute expenditures or liabilities.

Fund Balances - Governmental Funds

As of June 30, 2013, fund balances of the governmental funds are classified as follows:

Restricted - amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

Spending Order

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available, the District considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the District considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed, unless the governing board has provided otherwise in its commitment or assignment actions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - INVESTMENTS

Policies and Practices

The District is authorized under *California Government Code* to make direct investments in local agency bonds, notes, or warrants within the State; U.S. Treasury instrument; registered State warrants or treasury notes; securities of the U.S. Government, or its agencies; bankers acceptances; commercial paper; certificates of deposit placed with commercial banks and/or savings and loan companies; repurchase or reverse repurchase agreement; medium term corporate notes; shares of beneficial interest issued by diversified management companies, certificates of participation, obligations with first priority security, and collateralized mortgage obligations.

**RIM OF THE WORLD UNIFIED SCHOOL DISTRICT
BUILDING FUND (MEASURE W)**

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2013**

Investment in County Treasury

The District is considered to be an involuntary participant in an external investment pool as the District is required to deposit all receipts and collections of monies with their County Treasurer (*Education Code* Section 41001). The fair value of the District's investment in the pool is reported in the accounting financial statement at amounts based upon the District's pro-rata share of the fairly value provided by the County Treasurer for the entire portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasurer, which is recorded on the amortized cost basis.

General Authorizations

Limitations as they relate to interest rate risk, credit risk, and concentration of credit risk are indicated in the schedules below:

Authorized Investment Type	Maximum Remaining Maturity	Maximum Percentage of Portfolio	Maximum Investment in One Issuer
Local Agency Bonds, Notes, Warrants	5 years	None	None
Registered State Bonds, Notes, Warrants	5 years	None	None
U.S. Treasury Obligations	5 years	None	None
U.S. Agency Securities	5 years	None	None
Banker's Acceptance	180 days	None	None
Commercial Paper	270 days	40%	30%
Negotiable Certificates of Deposit	5 years	25%	10%
Repurchase Agreements	1 year	30%	None
Reverse Repurchase Agreements	92 days	None	None
Medium-Term Corporate Notes	5 years	20% of base	None
Mutual Funds	N/A	30%	None
Money Market Mutual Funds	N/A	20%	10%
Mortgage Pass-Through Securities	5 years	20%	10%
County Pooled Investment Funds	N/A	None	None
Local Agency Investment Fund (LAIF)	N/A	None	None
Joint Powers Authority Pools	N/A	None	None

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value is to changes in market interest rates. The District manages its exposure to interest rate risk by investing in the County Pool. The District maintains a building fund investment of \$6,746,836 with the San Bernardino County Investment Pool. The fair value of this investment is approximately \$6,742,146 with an average maturity of 381 days.

NOTE 3 - ACCOUNTS RECEIVABLE

Accounts receivable at June 30, 2013, consisted of the following:

Interest	<u>\$ 4,816</u>
----------	-----------------

NOTE 4 - ACCOUNTS PAYABLE

Accounts payable at June 30, 2013, consisted of the following:

Capital outlay	<u>\$ 1,411,855</u>
----------------	---------------------

NOTE 5 - COMMITMENTS AND CONTINGENCIES

As of June 30, 2013, the Building Fund (Measure W) had the following commitments with respect to unfinished capital projects:

<u>Capital Projects</u>	<u>Remaining Construction Commitments</u>	<u>Expected Date of Completion</u>
Mary Putnam Henck Intermediate School Phase 3	\$ 3,000,000	2015
Rim of the World High School Phase 2A	2,400,000	2015
	<u>\$ 5,400,000</u>	

Litigation

The District is not currently a party to any legal proceedings.

INDEPENDENT AUDITORS' REPORT

This page left blank intentionally.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Governing Board and
Citizens' Oversight Committee
Rim of the World Unified School District
Lake Arrowhead, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The accompanying financial statements of the Rim of the World Unified School District (the District) Building Fund (General Obligation Bonds, Measure W), as of and for the year ended June 30, 2013, and have issued our report thereon dated January 6, 2014.

As discussed in Note 1, the financial statements present only the Building Fund specific to General Obligation Bonds (Measure W), and are not intended to present fairly the financial position and results of operations of Rim of the World Unified School District in conformity with accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

Management of Rim of the World Unified School District is responsible for establishing and maintaining effective internal control over financial reporting.

In planning and performing our audit of the financial statements, we considered the Rim of the World Unified School District (the District) Building Fund (General Obligation Bonds, Measure W) internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's Building Fund (General Obligation Bonds, Measure W) internal control. Accordingly, we do not express an opinion on the effectiveness of the District's Building Fund (General Obligation Bonds, Measure W) internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the District's Building Fund (General Obligation Bonds, Measure W) financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Rim of the World Unified School District's Building Fund (General Obligation Bonds, Measure W) financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's Building Fund (General Obligation Bonds, Measure W) internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's Building Fund (General Obligation Bonds, Measure W) internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON PERFORMANCE

Governing Board and
Citizens' Oversight Committee
Rim of the World Unified School District
Lake Arrowhead, California

We were engaged to conduct a performance audit of the Rim of the World Unified School District (the District), Measure W General Obligation Bond funds for the year ended June 30, 2013.

We conducted this performance audit in accordance with the standards applicable to performance audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our conclusions based on our audit objectives.

Our audit was limited to the objectives listed within the report which includes determining the District's compliance with the performance requirements as referred to in Proposition 39 and outlined in Article XIII A, Section 1(b)(3)(C) of the California Constitution. Management is responsible for the District's compliance with those requirements.

In planning and performing our performance audit, we obtained an understanding of the District's internal control in order to determine if the internal controls were adequate to help ensure the District's compliance with the requirements of Proposition 39 and outlined in Article XIII A, Section 1(b)(3)(C) of the California Constitution. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

The results of our tests indicated that the District expended Measure W General Obligation Bond funds only for the specific projects approved by the voters, in accordance with Proposition 39 and outlined in Article XIII A, Section 1(b)(3)(C) of the California Constitution.

Vavrinek, Trine, Day & Co., LLP

Rancho Cucamonga, California
January 6, 2014

This page left blank intentionally.

RIM OF THE WORLD UNIFIED SCHOOL DISTRICT BUILDING FUND (MEASURE W)

JUNE 30, 2013

AUTHORITY FOR ISSUANCE

The Measure W Bonds are issued pursuant to the Constitution and laws of the State of California (the State), including the provisions of Chapters 1 and 1.5 of Part 10 of the California Education Code, and other applicable provisions of law. The Bonds are authorized to be issued by a resolution adopted by the Board of Supervisors of the County on July 28, 2008 (the Resolution), pursuant to a request of the District made by a resolution adopted by the Board of Education of the District in July 30, 2008.

The District received authorization at an election held on November 4, 2008, to issue bonds of the District in an aggregate principal amount not to exceed \$23,340,000 to finance specific construction and renovation projects approved by eligible voters within the District. The proposition required approval by at least 55 percent of the votes cast by eligible voters within the District (the 2008 Authorization). The Bonds represent the first and second series of the authorized bonds to be issued under the 2008 Authorization.

PURPOSE OF ISSUANCE

The net proceeds of the Bonds and any other series of general obligation bonds issued under the Authorized will be used for the purposed specified in the District bond proposition submitted at the election, which include renovating, repairing, constructing and equipping certain District schools, sites, and facilities.

The Bonds are being issued to repair, renovate, acquire, construct, and equip classrooms, science labs, sites, school facilities, including upgrading electrical, fire safety, heating, cooling and ventilation system, plumbing, roofs, bathrooms, computer technology, and install energy savings systems, by issuing \$23,340,000 of bonds at legal rates, with mandatory audits, citizen oversight, and no money for administrators salaries.

AUTHORITY FOR THE AUDIT

On November 7, 2000, California voters approved Proposition 39, the Smaller Classes, Safer Schools and Financial Accountability Act. Proposition 39 amended portions of the California Constitution to provide for the issuance of general obligation bonds by school districts, community college districts, or county offices of education, "for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of rental property for school facilities", upon approval by 55 percent of the electorate. In addition to reducing the approval threshold from two-thirds to 55 percent, Proposition 39 and the enacting legislation (AB 1908 and AB 2659) requires the following accountability measures as codified in *Education Code* Sections 15278-15282:

1. Requires that the proceeds from the sale of the bonds be used only for the purposes specified in Article XIII A, Section 1(b)(3)(C) of the California Constitution, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.
2. The school district must list the specific school facilities projects to be funded in the ballot measure, and must certify that the governing board has evaluated safety, class size reduction and information technology needs in developing the project list.
3. Requires the school district to appoint a citizens' oversight committee.

**RIM OF THE WORLD UNIFIED SCHOOL DISTRICT
BUILDING FUND (MEASURE W)**

JUNE 30, 2013

4. Requires the school district to conduct an annual independent financial audit and performance audit in accordance with the Government Auditing Standards issued by the Comptroller General of the United States of the bond proceeds until all of the proceeds have been expended.
5. Requires the school district to conduct an annual independent performance audit to ensure that the funds have been expended only on the specific projects listed.

OBJECTIVES OF THE AUDIT

1. Determine whether expenditures charged to the Building Fund have been made in accordance with the bond project list approved by the voters through the approval of Measure W.
2. Determine whether salary transactions, charged to the Building Fund were in support of Measure W and not for District general administration or operations.

SCOPE OF THE AUDIT

The scope of our performance audit covered the period of July 1, 2012 to June 30, 2013. The population of expenditures tested included all object and project codes associated with the bond projects. The propriety of expenditures for capital projects and maintenance projects funded through other State or local funding sources, other than proceeds of the bonds, were not included within the scope of the audit. Expenditures incurred subsequent to June 30, 2013 were not reviewed or included within the scope of our audit or in this report.

PROCEDURES PERFORMED

We obtained the general ledger and the project expenditure reports prepared by the District for the fiscal year ended June 30, 2013 for the Building Fund (Measure W). Within the fiscal year audited, we obtained the actual invoices and other supporting documentation for a sample of expenditures to ensure compliance with the requirements of Article XIII A, Section 1(b)(3)(C) of the California Constitution and Measure W as to the approved bond projects list. We performed the following procedures:

1. We selected a sample of expenditures for the period starting July 1, 2012 and ending June 30, 2013, and reviewed supporting documentation to ensure that such funds were properly expended on the specific projects listed in the ballot text.
2. Our sample included transactions totaling \$2,819,492. This represents 62 percent of the total expenditures of \$4,554,461.
3. We verified that funds from the Building Fund (Measure W) were generally expended for the construction, renovation, furnishing and equipping of District facilities constituting authorized bond projects.

**RIM OF THE WORLD UNIFIED SCHOOL DISTRICT
BUILDING FUND (MEASURE W)**

JUNE 30, 2013

CONCLUSION

The results of our tests indicated that, in all significant respects, the Rim of the World Unified School District has properly accounted for the expenditures held in the Building Fund (Measure W) and that such expenditures were made for authorized Bond projects.
