

Dear CHE Families and Community Members:

My name is Megan Dieli and it is with great pride and enthusiasm that I write this letter of introduction to you as the newly appointed Principal of Charles Hoffman Elementary School! I am honored to have the opportunity to lead a school on the mountain for the very same district my own children attend; where all staff, parents, and community members work together toward student achievement.

I am entering my twenty-second year as a dedicated professional in education. I have worked with a variety of students ranging in age from kindergarten through and including eighth grade as a classroom teacher and in various out-of-classroom positions. My most recent administrative experience was in Fillmore where I served as an assistant principal at the middle school as well as in the Educational Services department. I am excited and eager to bring my skills as an educational leader to Charles Hoffman Elementary School and work with you as a partner in education to ensure your child's success.

Along with teachers and staff, I will work hard to build strong relationships with parents, students, and community partners. We will focus on Positive Behavior Interventions and Supports (PBIS), the use of data to drive instruction, and to provide consistent implementation of a standards-based curriculum in a rigorous manner so that we can continue to increase the academic progress of students.

All of us at Charles Hoffman Elementary cannot wait to begin what promises to be an excellent school year. This year is going to be amazing as we continue to provide academic experiences for our students that are rigorous, relevant, and help them build relationships while making real-world connections. As your principal, it is important to me that everyone who steps through our doors -- students, teachers, parents, and community members alike-- are excited to be here! This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. My door is always open and I welcome your input. Please feel free to call or email me to discuss any concerns you might have throughout the school year.

I look forward to working with you as a team to help each student at CHE meet their goals and have a successful 2021-2022 school year! I thank you in advance for your support.

Best regards,

*Mrs. Megan K. Dieli*
