- 2) Has persevered through challenging circumstances.
- 3) Has contributed to their school and community.
- 4) Embraces Rotary's Four-Way Test daily, the things we think, say, or do:

The recipient will receive a monetary award which will go directly into the student's account at their chosen educational institution and/or be reimbursed for said funds upon the presentation of a receipt to the scholarship chairperson of the amounts authorized by the scholarship and the time frames for the same. Additionally, if it is requested by the student and agreeable at the time of the scholarship, a qualified representative from the club will be made available on a voluntary basis to meet with the student(s) for logistical and/or registration type purposes at the sole discretion of the Rotary chairperson.

We thank you for your time and effort to nominate students for this scholarship. Without your participation, it would be impossible for our club to award these deserving seniors. **Please complete and send the form in by March 31, 2022.** Please send to PO Box 1133, Lake Arrowhead, CA 92352, or you can email such to teacherfroxy2000@yahoo.com.
