Principal's Message

I am very honored, fortunate and happy to be up on the RIM and serving at the Middle School! Since my arrival in late summer, I have met many amazing people. We have awesome students, a talented teaching and staff members and caring, supportive parents. We look to combine as we venture forward into Common Core for outstanding results preparing our students to launch on the college or career paths in high school.

I would like to welcome all students, parents and families to Mary Putnam Henck. We serve grades 6 through 8 as we prepare all students for what lies ahead in high school, college, career and beyond! We are working diligently to improve student achievement incorporating Common Core State Standards, enhancing curriculum to differentiate learning, increasing the use of 21st century technologies in the classroom to support our, 21st century learners, in a supportive and engaging environment supported by our PBIS (Positive Behavior Interventions and Supports) Team. Our efforts to provide a rigorous and relevant academic program shall surely assist our students as expectations rise and shift. Most of the campus facilities have been updated over the past few years, including the science department which received upgrades relevant to a learning environment that matches the demands of the upcoming Next Generation Science Standards combined with 21st century technologies and outcomes! In addition, our site NGSS team has been and continues to engage in a planning series to update lessons and coursework with a STEM/STEAM focus incorporating a variety of engaging and authentic instructional strategies.

We currently are moving into Common Core Standards in English-Language Arts and mathematics. You will also see our history, science, elective and physical education teachers employing the Common Core informational reading, writing and discussion standards in their classrooms. As we build our professional capacity, we are also retooling our infrastructure to meet the needs of 21st century students. Complementing the facilities updates, we are bolstering technologies and programs. Visit our campus, visit different classrooms and you shall see it in action!

Middle school is also a time of great personal change in a young person's life. 6th graders, 7th graders and 8th graders undergo a lot of physical, emotional and social changes during these three critical years. Combine the normal changes of adolescence with 21st century social media outlets and you have more stress, more confusion and more intensity. Because of these, we are implementing PBIS schoolwide. It is a multi-year process and we are moving through each phase very carefully. We recognize the need to constantly teach and remind our students about RESPECTing each other, adults, the environment, etc., being RESPONSIBLE citizens who are accountable for their choices, actions and education, and for maintaining a sense of SAFETY no matter where they are. Mission Statement Mary Putnam Henck Intermediate is dedicated to providing a safe, supportive learning environment where we equip all students with the tools to be responsible and respectful, while becoming productive contributors in the 21st century.

Mission Statement

Mary Putnam Henck Intermediate is dedicated to providing a safe, supportive learning environment where we equip all students with the tools to be responsible and respectful, while becoming productive contributors in the 21st century.

School Profile

Mary P. Henck Intermediate School is located in the northwestern region of Lake Arrowhead and serves students in grades six through eight following a traditional calendar. At the beginning of the 2015-16 school year, 825 students were enrolled, including 17.2% in special education, 11.2% qualifying for English Language Learner support, and 53.9% qualifying for free or reduced price lunch.

| Student Enrollment by Ethnicity / Grade Level 2015-16 | | | |
|--|--------|-------------|-----|
| Ethnic Group | % | Grade Level | # |
| African-Amer. | 1.60% | Grade 6 | 282 |
| Amer. Indian or Alaskan Native | 0.20% | Grade 7 | 256 |
| Asian | 0.60% | Grade 8 | 285 |
| Filipino | 0.60% | Ungraded | 0 |
| Hisp. or Latino | 37.30% | | |
| Pacific Islander | 0.10% | | |
| Caucasian | 55.60% | | |
| Multi-Racial | 3.90% | | |
| Students with Disabilities | 17.20% | | |
| Economically Disadvantaged | 53.90% | | |
| English Learners | 11.20% | | |
| Foster Youth | 0.40% | | |
| Total Enrollment | | | 823 |

Student Achievement

Physical Fitness

In the spring of each year, Mary P. Henck Intermediate School is required by the state to administer a physical fitness test to all students in grade seven. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

| Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2015-16 | | | |
|---|--------------------------|-------------|------------|
| Grade Tested | Number of Standards Met: | | |
| | Four of Six | Five of Six | Six of Six |
| Seventh | 17.8% | 26.3% | 36.9% |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Federal Intervention Program

The passage of the Every Student Succeeds Act (ESSA), reauthorizing the Elementary and Secondary Education Act (ESEA) in December 2015, is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet

specific program criteria. In 2015-16, Mary P. Henck Intermediate School qualified for Title I Targeted Assistance funding and is subject to comply with Title I program requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. Most of the new provisions under ESSA do not take effect until the 2017-18 school year making 2016-17 a transition year. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

California Assessment of Student Performance and Progress

California Assessment of Student Performance and Progress (CAASPP) Tests assess student performance in Science in grades five, eight and ten, and English language arts/literacy and Mathematics in grades 3 through 8 and 11 utilizing computer-adaptive tests and performance tasks. This system is based on the Common Core State Standards (CCSS) and is part of the Smarter Balanced Assessment System.

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable grade level and subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

| CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students | | | | | | |
|---|---|-------|----------|-------|------------|-------|
| | Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards) | | | | | |
| | Mary P. Henck Intermediate School | | District | | California | |
| | 14-15 | 15-16 | 14-15 | 15-16 | 14-15 | 15-16 |

| Foster Youth | -- | -- | -- | -- |

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Level 1 = Standard not met; Level 2 = Standard nearly met; Level 3 = Standard met; Level 4 = Standard exceeded

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning – State Priority 1: Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments & NCLB Compliance charts; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Parental Involvement – State Priority 3: Covered in *Parent Involvement*.

Pupil Achievement – State Priority 4: Covered in *California Assessment of Student Performance and Progress*, including the CAASPP charts.

School Climate – State Priority 6: Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

Other Pupil Outcomes – State Priority 8: Covered in the *Physical Fitness*, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through email, newsletters, the school marquee, the school website, PTA Facebook page, and School Connect (automated telephone messaging system). Contact the school office at (909) 336-0360 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Mary P. Henck Intermediate School's original facilities were built in 1970; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Complete modernization of all classrooms associated with A' Wing (New lighting, dropped ceilings, duct work, paint carpet and new tile.)
- Cutting down and removal of large pine trees posing as a fire hazard to the campus
- Refinishing and resealing of stage (2016-17)
- Improvement of storm water system adjacent to C116 (2016-17)

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and three evening custodians are assigned to Mary P. Henck Intermediate School. The day custodian is responsible for:

- Classroom cleaning
- Groundskeeping
- Lunch area setup/cleanup
- Restroom cleaning
- Snow removal

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Snow Removal
- Trash Removal

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Facilities Inspection

The district's maintenance department inspects Mary P. Henck Intermediate School on an annual basis in accordance with Education Code §17592.72(c)(1). Mary P. Henck Intermediate School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Tuesday, October 18, 2016. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2015-16, all restrooms were fully functional and available for student use.

|---|------|------|------|
| Exemplary | Good | Fair | Poor |
| | ✓ | | |

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, campus security officers, and teachers patrol the campus, entrance areas, and designated common areas. Administrators and campus security officers monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, administrators, campus security officers, and teachers monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Mary P. Henck Intermediate School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Mary P. Henck Intermediate School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in November 2016.

Classroom Environment

Discipline & Climate for Learning

Mary P. Henck Intermediate School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

| Suspensions & Expulsions | | | |

| Social Science | 29.0 | 1 | 11 | 6 |
| 2015-16 | | | | |
| Subject | Avg. Class Size | Number of Classrooms | | |
| | | 1-22 | 23-32 | 33+ |
| English | 26.0 | 6 | 7 | 9 |
| Mathematics | 23.0 | 6 | 12 | 5 |
| Science | 29.0 | 4 | 5 | 10 |
| Social Science | 29.0 | 1 | 11 | 6 |

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary level, this information is reported by subject area rather than grade level.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Mary P. Henck Intermediate School revolve around the California State Standards. During the 2015-16 school year, Mary P. Henck Intermediate School held staff development training devoted to:

- Transition to Common Core State Standards
- Instructional Alignment to Benchmarks
- Differentiated Instruction
- Increased Rigor
- Professional Learning Communities (PLC's)
- Positive Behavior Intervention & Support (PBIS)

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Mary P. Henck Intermediate School supports ongoing professional growth throughout the year on minimum days and teacher only days/non-student days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2015-16 school year, Mary P. Henck Intermediate School's teachers attended the following events hosted by the Rim of the World Unified School District:

- ELA/ELD Framework and Standards
- Integrated and Designated English Language Development (ELD)
- Professional Learning Communities (PLC's)
- Aligning State Standards
- Positive Behavior Intervention and Support (PBIS)

Mary P. Henck Intermediate School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

| Staff Development Days Three-Year Trend | | |

| 2013-14 | 2014-15 | 2015-16 |
| 1 | 9 | 1 |

Instructional Materials

All textbooks used in the core curriculum at Mary P. Henck Intermediate School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Thursday, October 20, 2016, the Rim of the World Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 16/17-3 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2016-17 school year, Rim of the World Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

| Textbooks | | |
|-------------------------------------|---|--------------------------|

Professional Staff

Counseling & Support Staff

Mary P. Henck Intermediate School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Mary P. Henck Intermediate School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

| Counselors & Support Personnel (Nonteaching Professional Staff) 2015-16 | | |
|---|--------------|-----|
| | No. of Staff | FTE |
| Academic Counselor | 2 | 2.0 |
| Health Clerk | 1 | 0.4 |
| Library Media Technician | 1 | 1.0 |
| Nurse | 1 | 0.4 |
| Psychologist | 1 | 0.4 |
| Speech/Language/Hearing Specialist | 1 | 0.4 |

Counselor-to-Student Ratio: 1:413

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Assignment

During the 2015-16 school year, Mary P. Henck Intermediate School had 34 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and

non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

| Percentage of Core Classes 2015-16 | | |
|---------------------------------------|-----------------------------------|---------------------------------------|
| | Taught by NCLB-Compliant Teachers | Taught by non-NCLB-Compliant Teachers |
| Mary P. Henck Intermediate School | 100.0 % | 0.0 % |
| District Totals | | |
| All Schools | 100.0 % | 0.0 % |
| High-Poverty | 100.0 % | 0.0 % |
| Low-Poverty | 100.0 % | 0.0 % |

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals programs.

| Teacher Credentials & Assignments | | | | |
|---|-------|-------|-------|--------|
| | MPH | | | ROWUSD |
| | 14-15 | 15-16 | 16-17 | 16-17 |
| Total Teachers | 33 | 34 | 32 | 153 |
| Teachers with full credentials | 33 | 34 | 31 | 148 |
| Teachers without full credentials | 0 | 0 | 1 | 5 |
| Teachers teaching outside subject area of competence (with full credential) | 0 | 0 | 0 | 0 |
| Teacher misassignments for English learners | 0 | 0 | 0 | 0 |
| Total teacher misassignments | 0 | 0 | 0 | 0 |
| Vacant teacher positions | 0 | 0 | 0 | 0 |

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

**Total teacher misassignments includes the number of misassignments of teachers of English learners.*

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2014-15 salary comparison data was the most recent data available at the time this report was published.)

| Salary Comparison 2014-15 | | |
|------------------------------------|-----------|---|
| | ROWUSD | State Average of Districts in Same Category |
| Beginning Teacher Salary | \$40,543 | \$42,063 |
| Mid-Range Teacher Salary | \$65,158 | \$64,823 |
| Highest Teacher Salary | \$84,524 | \$84,821 |
| Superintendent Salary | \$138,645 | \$169,152 |
| Average Principal Salaries: | | |
| Middle School | \$95,689 | \$107,678 |
| Percentage of Budget: | | |
| Teacher Salaries | 34% | 35% |
| Administrative Salaries | 5% | 6% |

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Student

For the 2014-15 school year, Rim of the World Unified School District spent an average of \$9,606 of total general funds to educate each student (based on 2014-15 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Rim of the World Unified School District receives state and federal categorical funding for special programs. For the 2014-15 school year, the district received categorical, special education, and support programs funds for:

- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other Local: Locally defined
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Title I
- Title II
- Title III
- Vocational Programs

| Expense of Education Per Pupil 2014-15 | | | | | |
|---|---------------------------|----------|------------------------------|---|------------------------------|
| | Dollars Spent per Student | | | | |
| | MPH | ROWUSD | % Diff. School & Dist. | State Avg., Dist. Same Size & Type | % Diff. School & State |
| ADA* | 725 | N/A | N/A | N/A | N/A |
| Total** | \$6,859 | N/A | N/A | N/A | N/A |
| Restr.† | \$1,223 | N/A | N/A | N/A | N/A |
| Unrestr.†† | \$5,636 | \$5,885 | 95.77 | \$5,677 | 99.28 |
| Avg. Teacher Salary | \$71,889 | \$68,258 | 105.32 | \$67,348 | 106.74 |

Note: Cells with N/A values do not require data.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Rim of the World Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and school facilities sections were acquired in November 2016.
