Principal's Message

In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card (SARC) that fulfills state and federal disclosure requirements. In this report, parents and community members will find valuable information about Valley of Enchantment Elementary School's academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

Valley of Enchantment's faculty and support staff are committed to providing a rich academic program in which students are challenged and supported in grade-level state standards. Instruction focuses on active, engaging learning activities with an eSTEM (environmental Science, Technology, Engineering, and Math) emphasis. An individualized approach maximizes success for all students, both in academic proficiency and personal responsibility. Our school-wide behavioral expectations center around the three Be's: Be Safe, Be Responsible, Be Respectful, and our campus climate reflects these values.

We are committed to providing a quality educational program in a safe and secure environment. I welcome any suggestions or questions you may have about the information contained in this report.

Mission Statement

Our goal is to empower our students through effective, meaningful, standards-based instruction, and to do whatever it takes to ensure that every student demonstrates measurable growth. We will teach, model, and encourage safe, responsible, and respectful personal conduct and decision-making.

School Profile

Valley of Enchantment Elementary School is located in the eastern region of Crestline and serves students in grades transitional kindergarten through five following a traditional calendar. At the beginning of the 2016-17 school year, 586 students were enrolled, including 14.7% in special education, 13.7% qualifying for English Language Learner support, and 68.8% qualifying for free or reduced price lunch.

Student Enrollment by Ethnicity / Grade Level 2016-17			
Ethnic Group	%	Grade Level	#
African-Amer.	1.90%	Transitional Kindergarten	0
Amer. Indian or Alaskan Native	0.20%	Kindergarten	86
Asian	0.20%	Grade 1	82
Filipino	0.00%	Grade 2	103
Hisp. or Latino	38.40%	Grade 3	108
Pacific Islander	0.00%	Grade 4	112
Caucasian	56.50%	Grade 5	95
Multi-Racial	2.70%	Ungraded	0
Students with Disabilities	14.70%		
Socioeconomically Disadvantaged	68.80%		
English Learners	13.70%		
Foster Youth	1.40%		
Total Enrollment			586

Student Achievement

Physical Fitness

In the spring of each year, Valley of Enchantment Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2016-17			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	10.5	29.5	36.8

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Federal Intervention Program

The passage of the Every Student Succeeds Act (ESSA), reauthorizing the Elementary and Secondary Education Act (ESEA) in December 2015, is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their

student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2016-17, Valley of Enchantment Elementary School qualified for Title I Targeted Assistance funding and is subject to comply with Title I program requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. Most of the new provisions under ESSA do not take effect until the 2017-18 school year making 2016-17 a transition year. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Federal Intervention Program Status 2017-18		
	VOEES	ROWUSD
Program Improvement Status	In PI	In PI
First Year of Program Improvement	2011-2012	2009-2010
Year in Program Improvement	Year 3	Year 3
No. of Schools Currently in Program Improvement	4	
% of Schools Currently in Program Improvement	66.7%	

Note: Cells with N/A values do not require data.

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

CAASPP Test Results in ELA and Mathematics - All Students						
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	Valley of Enchantment Elementary School		District		California	
	15-16	16-17	15-16	16-17	15-16	16-17

Students with Disabilities	62	59	95.16	10.17

CAASPP Test Results in Science for All Students						
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	Valley of Enchantment Elementary School		District		California	
	14-15	15-16	14-15	15-16	14-15	15-16
Science (grades 5, 8, and 10)	74	61	63	54	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment

(CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in Teacher Assignment, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout Rates, including the Dropout chart; and Graduation Rates, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, and by attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school website, School Connect (automated telephone messaging system), text via the Remind phone app, and our VOE Facebook page. Contact the school office at (909) 589-0396 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Valley of Enchantment Elementary School's original facilities were built in 1960's; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is

used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Replacement and repairs to the heaters
- Repairs to the turf on the playground
- Removal of shrubs and addition of plants
- Purchase of additional computers
- Replacement of the playground shade structure
- General maintenance and repairs
- Installation of a water line and quick disconnect to service the outside student lunch area
- Removal of brush on the campus to reduce fire hazards
- Upgrades to the HVAC systems throughout the campus
- Upgrades to the irrigation system in the kindergarten playground area
- Replacement of flooring in four classrooms
- Removal of large dead pine trees for fire safety

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Valley of Enchantment Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Lunch area setup/cleanup
- Restroom cleaning
- Snow removal
- Trash removal

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Trash removal
- Snow removal

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Facilities Inspection

The district's maintenance department inspects Valley of Enchantment Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Valley of Enchantment Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, January 24, 2018. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2017-18, all restrooms were fully functional and available for student use at the time of the inspection.

	✓		

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal and teachers are strategically assigned to designated entrance areas, the breakfast area and the playground. During recess, duty supervisors monitor playground activity. Duty supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal and teachers monitor student behavior to ensure a safe and orderly departure.

Valley of Enchantment Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Valley of Enchantment Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in November 2017.

Classroom Environment

Discipline & Climate for Learning

Valley of Enchantment Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

*Number of classes indicates how many classes fall into each size category (a range of total students per classroom).

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Valley of Enchantment Elementary School revolve around the California State Standards. During the 2016-17 school year, Valley of Enchantment Elementary School held staff development training devoted to:

- Professional Learning Communities (PLC's)
- Technology Training
- Engagement Strategies
- Data Analysis
- Differentiated Analysis
- Differentiated Instruction
- Common Core Strategies
- Positive Behavior Interventions and Supports (PBIS)

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Valley of Enchantment Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching

staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2016-17 school year, Valley of Enchantment Elementary School's teachers attended the following events hosted by the Rim of the World Unified School District:

- Educator's Assessment Data Management System (EADMS) –Assessment Building
- English Language Development (ELD) Articulation

Valley of Enchantment Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Staff Development Days Three-Year Trend		
2014-15	2015-16	2016-17
9	1	1

Instructional Materials

All textbooks used in the core curriculum at Valley of Enchantment Elementary School are still in alignment with California State Standards. The district is currently in the process of the review, selection and purchase of new materials.

On Thursday, October 19, 2017, the Rim of the World Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 17/18-03 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2017-18 school year, Rim of the World Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to

take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Valley of Enchantment Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Valley of Enchantment Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2016-17		
	No. of Staff	FTE
Academic Counselor	0	0
Health Clerk	1	1.0
Library Clerk	1	0.75
Nurse	1	0.2
Psychologist	1	0.4
Speech/Language/Hearing Specialist	1	1.0

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Assignment

During the 2016-17 school year, Valley of Enchantment Elementary School had 25 teachers who met all credential requirements in accordance with state guidelines. The

chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher Credentials & Assignments				
	VOEES			ROWUSD
	15-16	16-17	17-18	17-18
Total Teachers	28	25	22	140
Teachers with full credentials	28	25	22	137
Teachers without full credentials	0	0	0	3
Teachers teaching outside subject area of competence (with full credential)	0	0	0	0
Teacher misassignments for English learners	1	0	0	0
Total teacher misassignments	1	0	0	0
Vacant teacher positions	0	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total teacher misassignments includes the number of misassignments of teachers of English learners.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2015-16 salary comparison data was the most recent data available at the time this report was published.)

Teacher and Administrative Salaries 2015-16		
	ROWUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$42,684	\$44,144
Mid-Range Teacher Salary	\$68,598	\$69,119
Highest Teacher Salary	\$89,207	\$86,005
Superintendent Salary	\$152,250	\$178,104
Average Principal Salaries:		
Elementary School	\$97,474	\$106,785
Percentage of Budget:		
Teacher Salaries	34%	34%
Administrative Salaries	5%	6%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Student

For the 2015-16 school year, Rim of the World Unified School District spent an average of \$10,808 of total general funds to educate each student (based on 2015-16 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted

(supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Rim of the World Unified School District receives state and federal categorical funding for special programs. For the 2015-16 school year, the district received categorical, special education, and support programs funds for:

- Education Protection Account
- Lottery: Instructional Materials
