Principal's Message

On this my third year with MPH, it continues to be a pleasure to serve the students, staff, and community of our Rim Family. Our dedicated and superior staff seek to work with our parents and community to place the instructional excellence and safety of our students first.

I would like to welcome all students, parents and families to Mary Putnam Henck. We serve grades 6 through 8 as we prepare all students for what lies ahead in high school, college, career and beyond! We are working diligently to improve student achievement incorporating CSS, enhancing curriculum to differentiate learning, increasing the use of 21st century technologies in the classroom to support our, 21st century learners, in a supportive and engaging environment supported by our Positive Behavior Interventions and Supports (PBIS) Team. Our efforts to provide a rigorous and relevant academic program shall surely assist our students as expectations rise and shift. Most of the campus facilities have been updated over the past few years, including the science department which received upgrades relevant to a learning environment that matches the demands of the upcoming Next Generation Science Standards combined with 21st century technologies and outcomes! In addition, our site NGSS team has been and continues to engage in a planning series to update lessons and coursework with a STEM/STEAM focus incorporating a variety of engaging and authentic instructional strategies.

It is our goal at MPH to facilitate the education of our students through elevated expectations, as well as multiple and diverse methods of student engagement in the curriculum. We believe education should be rigorous and beneficial to the preparation of students' future collegiate and career pursuits. Finally, we believe the connection to students' experiences, culture, and interests through a caring environment encourages student achievement. These tenets of education are most successfully supported via the collaboration of best practices by invested members in a solutions-based model. Together we will continue to further the processes that incite advancement: valuing what we have, assessing where we are, and striving to identify needs and areas for advancement.

Middle school is also a time of great personal change in a young person's life. 6th graders, 7th graders and 8th graders undergo a lot of physical, emotional and social changes during these three critical years. Combine the normal changes of adolescence with 21st century social media outlets and you have more stress, more confusion and more intensity. Because of these, we are implementing PBIS schoolwide. It is a multi-year process and we are moving through each phase very carefully. We recognize the need to constantly teach and remind our students about RESPECTing each other, adults, the environment, etc., being RESPONSIBLE citizens who are accountable for their choices, actions and education, and for maintaining a sense of SAFETY no matter where they are. Mission Statement Mary Putnam Henck Intermediate is dedicated to providing a safe, supportive learning environment where we equip all students with the tools to be responsible and respectful, while becoming productive contributors in the 21st century.

We invite our students, parents and community to journey with us and contact our MPH office at 909-336-0360, with any questions, insight or further assistance desired. With honor, integrity and genuine concern for all, we will make it a great school year!

Mission Statement

Mary Putnam Henck Intermediate is dedicated to providing a safe, supportive learning environment where we equip all students with the tools to be responsible and respectful, while becoming productive contributors in the 21st century.

School Description

Mary P. Henck Intermediate School is located in the northwestern region of Lake Arrowhead and serves students in grades six through eight following a traditional calendar. At the beginning of the 2017-18 school year, 785 students were enrolled, including 15.7% in special education, 11.1% qualifying for English Language Learner support, and 55.4% qualifying for free or reduced price lunch.

Student Enrollment by Student Group / Grade Level 2017-18			
Student Group	% of Total Enrollment	Grade Level	# of Students
Black or African-Amer.	0.80%	Grade 6	271
Amer. Indian or Alaska Native	0.10%	Grade 7	261
Asian	0.40%	Grade 8	253
Filipino	0.30%	Ungraded	0
Hisp. or Latino	40.30%		
Native Hawaiian or Pacific Islander	0.30%		
White	53.10%		
Two or More Races	4.80%		
Students with Disabilities	15.70%		
Socioeconomically Disadvantaged	55.40%		
English Learners	11.10%		
Foster Youth	0.80%		
Total Enrollment			785

Student Achievement

Physical Fitness

In the spring of each year, Mary P. Henck Intermediate School is required by the state to administer a physical fitness test to all students in grade seven. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2017-18			
Grade Level Tested	Percentage of Students Meeting Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards
Seventh	15.2%	26.8%	26.8%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

CAASPP Test Results in ELA and Mathematics - All Students						
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	Mary P. Henck Intermediate School		District		California	
	16-17	17-18	16-17	17-18	16-17	17-18
English-Language Arts/Literacy (grades 3-8 and 11)	30.0	28.0	38.0	38.0	48.0	50.0
Mathematics (grades 3-8 and 11)	21.0	19.0	24.0	24.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group (2017-18)				
Student Groups	Total Enrollment	# Tested	% Tested	% Meeting or Exceeding State Standards
All Students	765	713	93.20	27.77
Male	397	369	92.95	23.85
Female	368	344	93.48	31.98
Black or African-Amer.	--	--	--	--
Amer. Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hisp. or Latino	307	300	97.72	23.33
Native Hawaiian or Pacific Islander	--	--	--	--
White	406	363	89.41	31.13
Two or More Races	36	34	94.44	23.53
English Learners	130	127	97.69	17.32
Socioeconomically Disadvantaged	388	375	96.65	24.00
Students with Disabilities	108	100	92.59	5.00
Students Receiving Migrant Ed. Services				
Foster Youth	--	--	--	--

CAASPP Test Results in Mathematics by Student Group (2017-18)				
Student Groups	Total Enrollment	# Tested	% Tested	% Meeting or Exceeding State Standards
All Students	768	712	92.71	19.10
Male	398	368	92.46	19.02
Female	370	344	92.97	19.19
Black or African-Amer.	--	--	--	--
Amer. Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hisp. or Latino	307	299	97.39	14.72
Native Hawaiian or Pacific Islander	--	--	--	--
White	409	363	88.75	22.31
Two or More Races	36	34		
English Learners	130	127	97.69	8.66
Socioeconomically Disadvantaged	390	376	96.41	15.43
Students with Disabilities	109	100	91.74	3.00
Students Receiving Migrant Ed. Services				
Foster Youth	--	--	--	--

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students						
Science (grades 5, 8, and 10)	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	Mary P. Henck Intermediate School		District		California	
	16-17	17-18	16-17	17-18	16-17	17-18
	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016-17 and 2017-18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered optionally during the 2018-19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016-17 and 2017-18) and the CAA for Science will be field-tested in 2018-19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments chart; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in *Parent Involvement*.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in *California Assessment of Student Performance and Progress*, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in *Dropouts*, including the Dropout chart; and *Graduation Requirements*, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in *Physical Fitness*, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the MPH PTA, SSC, ELAC, in the classroom and via school sponsored clubs.

Parents stay informed on upcoming events and school activities through email, newsletters, the school website, biweekly updates, PTA Facebook page, and Parent Link call system. Contact the school office at (909) 336-0360 for more information on how to become involved in your child's learning environment.

School Activities

- Back to School Night
- Open House
- School Dances
- Academic, Attendance and other Awards/Recognition Assemblies
- PBIS Talent Show
- Community Nights - San Bernardino County Sheriff
- Coffee with the Counselor
- MPH Administration Information Nights

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Mary P. Henck Intermediate School's original facilities were built in 1970; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Repairs to the irrigation system on the field
- Repairs to the heaters

2018-19 Campus Improvements in Progress:

- Repairs to the field

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and three evening custodians are assigned to Mary P. Henck Intermediate School. The day custodian is responsible for:

- Classroom cleaning
- Groundskeeping
- Lunch area setup/cleanup
- Restroom cleaning
- Snow removal

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Snow Removal
- Trash Removal

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description

Facilities Inspection

The district's maintenance department inspects Mary P. Henck Intermediate School on an annual basis in accordance with Education Code §17592.72(c)(1). Mary P. Henck Intermediate School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Friday, November 02, 2018. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2018-19, all restrooms were fully functional and available for student use at the time of the inspection.

School Facility Good Repair Status			
Most Recent Inspection: Friday, November 02, 2018

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
	✓		

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, campus security officers, and teachers patrol the campus, entrance areas, and designated common areas. Administrators and campus security officers monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, administrators, campus security officers, and teachers monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Mary P. Henck Intermediate School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the Raptor security system and wear identification stickers while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Mary P. Henck Intermediate School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in April 2018.

Classroom Environment

Discipline & Climate for Learning

Mary P. Henck Intermediate School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions

Class Size

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-22 students, 23-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Average Class Size and Class Size Distribution				
Subject	2015-16			
	Avg. Class Size	Number of Classes		
		1-22	23-32	33+
English	26.0	6	7	9
Mathematics	23.0	6	12	5
Science	29.0	4	5	10
Social Science	29.0	1	11	6
Subject	2016-17			
	Avg. Class Size	Number of Classes		
		1-22	23-32	33+
English	19.0	14	5	8
Mathematics	4.0	9		
Science	25.0	4	9	6
Social Science	28.0	3	8	6
Subject	2017-18			
	Avg. Class Size	Number of Classes		
		1-22	23-32	33+
English	25.0	6	3	12
Mathematics	26.0	6	3	11
Science	28.0	2	8	7
Social Science	28.0	2	5	10

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Mary P. Henck Intermediate School revolve around the California State Content Standards and Frameworks. During the 2017-18 school year, Mary P. Henck Intermediate School held staff development training devoted to:

- California State Standards
- Instructional Alignment to Benchmarks
- Increased Rigor
- Professional Learning Communities (PLC's)
- Positive Behavior Interventions and Supports (PBIS)
- Technology Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Mary P. Henck Intermediate School supports ongoing professional growth throughout the year on minimum days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2016-17, 2017-18 and 2018-19 school years, Mary P. Henck Intermediate School's teachers had the opportunity to attend the following events:

2016-17 Training:

- Educator's Assessment Data Management System (EADMS) - Assessment Building
- English Language Development (ELD) Articulation

2017-18 Training:

- AVID Summer Institute
- AVID Regional Coordinator's Workshop
- Why Data Matters - A FCMAT/CSIS Workshop
- Dr. Kate Kinsella Institute for Learning and Coaching: Integrated and Designated Academic ELD
- Middle School Expository Reading & Writing
- IO Expo West 2018
- Positive Prevention Plus Comprehensive Sexual Health Education Training for Middle Schools
- ASB Workshop

2018-19 Training:

- Inquiry Based Learning
- Lesson Deconstruction Tasks
- Strategies for Creating EdTech Enriched and Engaging Lessons with Rigor and Relevance
- Focus on the 4 C's: Communication, Collaborate, Creativity, Critical Thinking

Mary P. Henck Intermediate School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Staff Development Days Three-Year Trend

Instructional Materials

All textbooks used in the core curriculum at Mary P. Henck Intermediate School are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district is currently in the process of the review, selection, and purchase of new materials.

On Thursday, September 20, 2018, the Rim of the World Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 18/19-02 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, Rim of the World Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Mary P. Henck Intermediate School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Mary P. Henck Intermediate School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Academic Counselors & Other Support Staff (Nonteaching Professional Staff) 2017-18		
	No. of Staff	FTE
Academic Counselor	2	2.0
Health Clerk	1	0.4
Library Media Technician	1	1.0
Nurse	1	0.4
Psychologist	1	0.4
Speech/Language/Hearing Specialist	1	0.4
Counselor-to-Student Ratio: 1:393		

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Assignment

During the 2017-18 school year, Mary P. Henck Intermediate School had 30 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of

positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher Credentials & Assignments				
	MPH			ROWUSD
	16-17	17-18	18-19	18-19
Total Teachers	32	31	33	150
Teachers With Full Credentials	31	30	31	144
Teachers Without Full Credentials	1	1	2	6
Teachers Teaching Outside Subject Area of Competence (With Full Credential)	0	0	0	0
Misassignments of Teachers of English Learners	0	0	0	0
Total Teacher Misassignments*	0	0	0	0
Vacant Teacher Positions	0	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2016-17 salary comparison data was the most recent data available at the time this report was published.)

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Student

For the 2016-17 school year, Rim of the World Unified School District spent an average of \$11,232 of total general funds to educate each student (based on 2016-17 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Rim of the World Unified School District receives state and federal categorical funding for special programs. For the 2016-17 school year, the district received categorical, special education, and support programs funds for:

- College Readiness Block Grant
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other Local: Locally defined
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Title I
- Title II
- Title III
- Vocational Programs

Note: The California Department of Education issued guidance to LEAs on August 1, 2018 regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Expenditures Per Pupil and School Site Teacher Salaries 2016-17
