**Principal's Message**

I'd like to welcome you to Lake Arrowhead Elementary (LAE) School's Annual School Accountability Report Card. In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card that fulfills state and federal disclosure requirements. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

Lake Arrowhead Elementary School provides a warm, stimulating environment where students are actively involved in learning academics as well as positive values. Students receive a standards-based, challenging curriculum by dedicated professional staff based on the individual needs of the students. Ongoing progress monitoring of student achievement aids in the instructional program.

We have made a commitment to provide the best educational program possible for Lake Arrowhead Elementary School's students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to reach their maximum potential.

Lake Arrowhead Elementary - A CALIFORNIA DISTINGUISHED SCHOOL AND TITLE I ACHIEVING SCHOOL!

**Mission Statement**

As a Lake Arrowhead Elementary community, we will expect and ensure that ALL students meet or exceed appropriate learning targets. Students will be successful learners with strong character. We will demonstrate positive attitudes and a passion for success.

Our motto is: "Every child, every day!"

## School Description

Lake Arrowhead Elementary School is located in the northwestern region of Lake Arrowhead and serves students in grades pre-kindergarten through five following a traditional calendar. At the beginning of the 2018-19 school year, 587 students were enrolled, including 11.6% in special education, 15.8% qualifying for English Language Learner support, and 57.8% qualifying for free or reduced price lunch.

## Student Achievement

### Physical Fitness

In the spring of each year, Lake Arrowhead Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2018-19			
Grade Level Tested	Percentage of Students Meeting Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards
Fifth	15.4	25.0	34.6

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with

alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/).

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for including in the 2018-19 SARC posting due February 1, 2020. These data will be included in the SARC 2019-20 posting due February 1, 2021.

## Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are

teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments chart; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in *Parent Involvement*.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in *California Assessment of Student Performance and Progress*, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in *Dropout & Graduation Rates*, including the Dropout chart; and *Graduation Requirements*, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in *Physical Fitness*, including the Physical Fitness Test chart.

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating on a parent advisory committee, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school website, teacher websites, monthly calendars, weekly information sent home in Wednesday packets, the PTA monthly newsletter, and Parent Link (automated messaging system). Contact the school office at (909) 336-0387 for more information on how to become involved in your child's learning environment.

**School Facilities & Maintenance**

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Lake Arrowhead Elementary School's original facilities were built in 1960; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Beautification projects to the front entrance and other campus areas
- Construction of an outdoor learning classroom/garden
- Addition of a STEM lab
- Addition of Chromebooks to become a 1:1 ratio in grades 3-5
- Repairs to the concrete where needed
- Installation of phones and internet in the portables
- Replacement of wood chips in the playground
- Installation of new gas lines
- Installation of two new heater units in the kinder area
- Addition of the school logo as a security film to the front windows
- Addition of parent dismissal signage
- Repainting of the parking lot lines and student dismissal lines at the front entrance
- Addition of STEM lab inventory
- Continue maintenance to outdoor classroom/garden

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Lake Arrowhead Elementary School. The custodians are responsible for:

**Facilities Inspection**

The district's maintenance department inspects Lake Arrowhead Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Lake Arrowhead Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, December 04, 2019. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2019-20, all restrooms were fully functional and available for student use at the time of the inspection.

## Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, teachers are strategically assigned to designated entrance areas and the playground. Noon duty supervisors monitor all recesses and lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, administration and teachers monitor student behavior to ensure a safe and orderly departure.

Lake Arrowhead Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the Raptor security system and wear identification badges while on school grounds.

## School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Lake Arrowhead Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed and updated by the School Site Council and Safety Team in March 2019. Staff responsibilities and safety plan updates were discussed with staff in August 2019.

## Classroom Environment

### Discipline & Climate for Learning

Lake Arrowhead Elementary is a PBIS school with full implementation of Tier I supports and Tier II beginning intervention supports. Our vision is to be a Leader in Me school with the underlying foundation of explicit student instruction of the 7 Habits of Happy Kids. Lake Arrowhead Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators and the PBIS Team in a fair, firm, and consistent manner based upon the nature of each situation.

## Curriculum & Instruction

### Staff Development

All training and curriculum development activities at Lake Arrowhead Elementary School revolve around the California State Content Standards and Frameworks. During the 2018-19 school year, Lake Arrowhead Elementary School held staff development training devoted to:

- Accelerated Reading and Math
- Next Generation Science Standards (NGSS)
- Positive Behavioral Interventions & Supports (PBIS)
- Professional Learning Communities (PLC's)
- California State Standards
- Math & ELA Adopted Curriculum Training
- SMART Panel Training
- Project GLAD Training
- CTA New Educator Conference
- I Teach First Grade! Conference
- Fast Forward (FFW)
- Math Strategies
- Number Talks
- Google Certified Teachers
- Kagan Instructional Strategies
- CAASPP Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher

training may enhance classroom instruction and increase student achievement levels. Lake Arrowhead Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2017-18, 2018-19 and 2019-20 school years, Lake Arrowhead Elementary School's teachers attended the following events hosted by the Rim of the World Unified School District:

**2017-18 Training:**

- Journeys (ELA/ELD Curriculum)
- ELA/ELD Curriculum and Checkpoint Standards

**2018-19 Training:**

- Technology Integration
- Social Emotional Learning (SEL)
- High Impact, Teaching Strategies

**2019-20 Training:**

- Social Emotional (SEL)
- Engagement Strategies
- Grade Level Collaboration

Lake Arrowhead Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

**Instructional Materials**

All textbooks used in the core curriculum at Lake Arrowhead Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Thursday, September 12, 2019, the Rim of the World Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 19/20-03 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2019-20 school year, Rim of the World Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

**Professional Staff**

**Counseling & Support Staff**

Lake Arrowhead Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Lake Arrowhead Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Academic Counselors & Other Support Staff (Nonteaching Professional Staff) 2018-19		
	No. of Staff	FTE
Academic Counselor	0	0
Library Clerk	1	1.0
Nurse	1	0.2
Psychologist	1	0.2
Speech/Language/Hearing Specialist	1	1.0

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

**Teacher Assignment**

During the 2018-19 school year, Lake Arrowhead Elementary School had 28 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the

number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## District Expenditures

### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2017-18 salary comparison data was the most recent data available at the time this report was published.)

### Expenditures Per Student

For the 2017-18 school year, Rim of the World Unified School District spent an average of \$11,123 of total general funds to educate each student (based on 2017-18 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding

salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Rim of the World Unified School District receives state and federal categorical funding for special programs. For the 2017-18 school year, the district received categorical, special education, and support programs funds for:

- Career and Technical Education Programs
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other State: Locally Defined
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Title I
- Title II
- Title III
