Principal's Message

Dear Mountain High School Parents and Students:

It is with great pleasure that I welcome you to the 2019-2020 school year; this is my second year serving as principal of Mountain High School and my twelfth year as an administrator in the Rim district, and I am proud to be a Soaring Eagle! Last year was a successful year for us on many fronts, but this year has the potential to be even better as we strive for continuous school improvement year after year. As Mountain High students, staff, parents, and our mountain community, we know that we are better together, and when we exude a heart for all, we exemplify Mountain Pride and Tradition!

In August of last year, we started new construction on restrooms for students and staff and they were completed before the start of winter and have been enjoyed by staff and students alike. We have also worked on bringing nutrition and lunch our MHS students on their own campus which started in the beginning of September this year. We have also developed an active School Site Council with parents and students involved that meet monthly to discuss budget and expenditures.

The 18-19 school year brought many other changes to the school as well; beginning with the hiring of a new English teacher, Mr. Stuehrmann, then sending staff to professional development, and finally purchasing of new curriculum and technology. Two staff went to the California Continuing Education Association (CCEA) conference last April while another staff member went to a Restorative Justice training in May. The whole staff received new Smartboards for use in the classroom, and experience one-to-one Chromebooks for the students as well.

MHS had been on probation with the Western Association of Schools and Colleges (WASC) for the past two years, but we had a visit from a committee on May 5-7, 2019, and we have been returned to our six-year accreditation status which accredits Mountain High School until June 30, 2023. This was a great achievement and due to the hard work of the staff and means that we will have a one day visit this spring from a WASC representative, and then we will not have another visit until 2023!

We are looking forward to 2019-20 being our best school year yet, and to working with each one of you to ensure that each student has the same opportunity for success in high school and beyond!

Yours in service,
David K. Nygren, Principal
Mountain High School
"Home of the Soaring Eagles"

Mission Statement

At Mountain High School, students will discover and develop their own unique talents and interests while realizing personal success with academics through personalized learning. Each student will be an empowered learner and an engaged citizen to achieve a positive impact in the local and global communities.

School Purpose:

The purpose and goal of Mountain High School is to develop and provide an academic program to meet the needs of our diverse student population, whom need an alternative method of learning. Our purpose as educators is to lead students on a pathway of academic success and empower them to be problem solvers and lifelong learners.

School Description

Mountain High School is located in the northern region of Lake Arrowhead and serves students in grades eleven through twelve following a traditional calendar. At the beginning of the 2018-19 school year, 55 students were enrolled, including 7.3% in special education, 14.5% qualifying for English Language Learner support, and 74.5% qualifying for free or reduced price lunch.

Student Group	% of Total Enrollment	Grade Level	# of Students
Black or African-Amer.	0.00%	Grade 11	26
Amer. Indian or Alaska Native	0.00%	Grade 12	29
Asian	0.00%	Ungraded	0
Filipino	0.00%		
Hisp. or Latino	38.20%		
Native Hawaiian or Pacific Islander	0.00%		
White	58.20%		
Two or More Races	3.60%		
Students with Disabilities	7.30%		
Socioeconomically Disadvantaged	74.50%		
English Learners	14.50%		
Foster Youth	0.00%		
Homeless	1.80%		
Total Enrollment			55

Student Achievement

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	17-18	18-19	17-18	18-19	17-18	18-19
English-Language Arts/Literacy (grades 3-8 and 11)	5.0	31.0	38.0	41.0	50.0	50.0
Mathematics (grades 3-8 and 11)	0.0	0.0	24.0	23.0	38.0	39.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Groups	Total Enrollment	# Tested	% Tested	% Not Tested	% Meeting or Exceeding State Standards
All Students	30	29	96.67	3.33	31.03
Male	21	21	100.00	0.00	38.10
Female	--	--	--	--	--
Black or African-Amer.					
Amer. Indian or Alaska Native					
Asian					
Filipino					
Hisp. or Latino	--	--	--	--	--
Native Hawaiian or Pacific Islander					
White	18	18	100.00	0.00	27.78
Two or More Races	--	--	--	--	--
English Learners	--	--	--	--	--
Socioeconomically Disadvantaged	21	20	95.24	4.76	30.00
Students with Disabilities					
Students Receiving Migrant Ed. Services					
Foster Youth					
Homeless					

CAASPP Test Results in Mathematics by Student Group (2018-19)					
Student Groups	Total Enrollment	# Tested	% Tested	% Not Tested	% Meeting or Exceeding State Standards
All Students	30	29	96.67	3.33	0.00
Male	21	20	95.24	4.76	0.00
Female	--	--	--	--	--
Black or African-Amer.					
Amer. Indian or Alaska Native					
Asian					
Filipino					
Hisp. or Latino	--	--	--	--	--
Native Hawaiian or Pacific Islander					
White	18	17	94.44	5.56	0.00
Two or More Races	--	--	--	--	--
English Learners	--	--	--	--	--
Socioeconomically Disadvantaged	21	21	100.00	0.00	0.00
Students with Disabilities					
Students Receiving Migrant Ed. Services					
Foster Youth					
Homeless					

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments chart; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in *Parent Involvement*.

Pupil Achievement – State Priority 4: Performance on standardized

tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in *California Assessment of Student Performance and Progress*, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in *Dropout & Graduation Rates*, including the Dropout chart; and *Graduation Requirements*, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in *Physical Fitness*, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through the school website and Parent Link (automated telephone messaging system). Contact Principal David Nygren at (909) 744-9520 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Mountain High School's original facilities were built in 1997; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Upgrades to modular restrooms

2019-20 Campus Improvements Planned or in Progress:

- Upgrades to the drinking fountain and addition of refrigerator bottle filling station
- New school signage located at the highway

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian is assigned to Mountain High School. The day custodian is responsible for:

- Classroom cleaning
- Groundskeeping
- Lunch area setup/cleanup
- Office area cleaning
- Restroom cleaning
- Snow removal
- Trash removal

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1997
Acreage	6.75
Square Footage	-
	Quantity
Permanent Classrooms	0
Portable Classrooms	4
Restrooms (sets)	2
Multipurpose Room/Cafeteria	1
Staff Lounge/Work Room(s)	1

Facilities Inspection

The district's maintenance department inspects Mountain High School on an annual basis in accordance with Education Code §17592.72(c)(1). Mountain High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Monday, December 09, 2019. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2019-20, all restrooms were fully functional and available for student use at the time of the inspection.

School Facility Good Repair Status Most Recent Inspection: Monday, December 09, 2019			
Item Inspected	Repair Status		
	Good	Fair	Poor
A. Systems	✓		
B. Interior	✓		
C. Cleanliness	✓		
D. Electrical	✓		
E. Restrooms / Fountains	✓		
F. Safety	✓		
G. Structural	✓		
H. External	✓		

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
✓			

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning,

administration, teachers, and campus security patrol the campus, entrance areas, and designated common areas. Administration, teachers, and campus security monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, administration and campus security monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Mountain High School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Mountain High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in Fall 2019.

Classroom Environment

Discipline & Climate for Learning

Mountain High School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

	Suspensions & Expulsions		
	16-17	17-18	18-19
	School		
% Students Suspended	25.0	7.6	28.9
% Students Expelled	3.8	2.5	0.0
	District		
% Students Suspended	32.2	8.9	8.9
% Students Expelled	0.3	0.3	0.1
	State		
% Students Suspended	3.6	3.5	3.5
% Students Expelled	0.1	0.1	0.1

Class Size

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-22 students, 23-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Curriculum & Instruction

Average Class Size and Class Size Distribution				
Subject	2016-17			
	Avg. Class Size	Number of Classes		
		1-22	23-32	33+
English	23.0	1	2	
Mathematics	14.0	3		
Science	18.0	2		
Social Science	18.0	2		
Subject	2017-18			
	Avg. Class Size	Number of Classes		
		1-22	23-32	33+
English	15.0	5		
Mathematics	15.0	4		
Science				
Social Science	4.0	4		
Subject	2018-19			
	Avg. Class Size	Number of Classes		
		1-22	23-32	33+
English	19.0	2	3	
Mathematics	14.0	2		
Science				
Social Science	14.0	4		

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary level, this information is reported by subject area rather than grade level.

Dropout & Graduation Rates

Mountain High School's teachers and administrative staff practice the early identification of and intervention on behalf of students who exhibit warning signs and/or behavioral traits that may lead to dropping out of school. Intervention strategies used to promote attendance and reduce dropout rates include parent conferences, counseling, student study team process, after school tutoring, SART/SARB process, and online credit recovery. Understanding that the needs of each student are different, administrators, counselors, and teaching staff continue their efforts to discover successful solutions to help students complete their high school program.

In the following Dropout & Graduation Rates table, 2017-18 data is the most current information available, since state certification/release dates for dropout data occur too late for inclusion in this report. Detailed information about dropout rates and graduation rates can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Dropout & Graduation Rates (Four-Year Cohort Rate)				
	School			
	15-16	16-17	17-18	
Dropout Rate	52.5%	23.3%	44.4%	
Graduation Rate	42.5%	76.7%	50.0%	
	District			
	15-16	16-17	17-18	
Dropout Rate	12.4%	6.2%	9.5%	
Graduation Rate	85.1%	89.5%	88.6%	
	State			
	15-16	16-17	17-18	
Dropout Rate	9.7%	9.1%	9.6%	
Graduation Rate	83.8%	82.7%	83.0%	

For the formula to calculate the 2017-18 and 2018-19 adjusted cohort graduation rate, see the 2018-19 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

Staff Development

All training and curriculum development activities at Mountain High School revolve around the California State Content Standards and Frameworks. During the 2018-19 school year, Mountain High School held staff development training devoted to:

- English Language Development (ELD)
- Assessment & Accountability Training
- Math Conference
- History Conference
- CA Continuation Education Conference

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Mountain High School supports ongoing professional growth throughout the year on minimum days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2017-18, 2018-19 and 2019-20 school years, Mountain High School's teachers attended the following events hosted by the Rim of the World Unified School District:

2017-18 Training:

- Inquiry Based Learning
- Lesson Deconstruction Tasks
- Strategies for Creating EdTech Enriched and Engaging Lessons with Rigor and Relevance
- Focus on the 4 C's: Communication, Collaborate, Creativity, Critical Thinking

2018-19 Training:

- Technology Integration
- Social Emotional Learning (SEL)
- High Impact, Teaching Strategies

2019-20 Training:

- Department Collaboration
- Social Emotional and Engagement Strategies

Mountain High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Number of School Days Dedicated to Staff Development and Continuous Improvement		
2017-18	2018-19	2019-20
0	1	2

Instructional Materials

All textbooks used in the core curriculum at Mountain High School are aligned to the California Content Standards and Frameworks. Standards-based instructional materials are approved by the district's Board of Trustees. The district follows the State Board of Education's eight-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On Thursday, September 12, 2019, the Rim of the World Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 19/20-03 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2019-20 school year, Rim of the World Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

College Preparation & Work Readiness

College Preparation Courses

Students are encouraged to take required courses if they plan on attending a four-year college or university. Mountain High School offers only those classes required to earn a high school diploma. Any students returning to a comprehensive high school setting will have the option to pursue four-year college required courses.

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admission requirements please visit the University of California Website at <http://www.universityofcalifornia.edu/admissions/general.html>.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses, and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the California State University Website at <http://www.calstate.edu/admission/>.

Workforce Preparation

Students in grades eleven and twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with school personnel to discuss their four-year academic plan and are introduced to Mountain High School's technical and career education programs; school personnel meets every three weeks with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Mountain High School offers the following programs that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

- Regional Occupational Programs
- Formative & Summative Programs
- Senior Portfolio Project

Individual student assessment of work readiness skills takes place through:

- End of course exams
- Surveys

A variety of Career Technical Education (CTE) courses are available at Rim of the World High School to help prepare high school students (16 years and older) for entry-level employment upgrading current job skills, or obtaining more advanced levels of education.

Professional Staff

Counseling & Support Staff

Mountain High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Mountain High School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Academic Counselors & Other Support Staff (Nonteaching Professional Staff) 2018-19		
	No. of Staff	FTE
Academic Counselor	1	0.6

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Assignment

During the 2018-19 school year, Mountain High School had 3 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

	Teacher Credentials & Assignments			
	School			District
	17-18	18-19	19-20	19-20
Total Teachers	3	3	3	150
Teachers With Full Credentials	3	3	3	144
Teachers Without Full Credentials	0	0	0	6
Teachers Teaching Outside Subject Area of Competence (With Full Credential)	0	0	0	0
Misassignments of Teachers of English Learners	0	0	0	0
Total Teacher Misassignments*	0	0	0	0
Vacant Teacher Positions	0	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2017-18 salary comparison data was the most recent data available at the time this report was published.)

Teacher and Administrative Salaries 2017-18		
	State Average of Districts in Same Category	
	District	
Beginning Teacher Salary	\$42,684	\$46,208
Mid-Range Teacher Salary	\$68,598	\$72,218
Highest Teacher Salary	\$89,207	\$92,742
Superintendent Salary	\$175,000	\$186,823
Average Principal Salaries:		
Elementary School	\$98,885	\$134,864
Middle School	\$101,971	\$118,220
High School	\$107,854	\$127,356
Percentage of Budget:		
Teacher Salaries	31%	33%
Administrative Salaries	5%	6%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Student

For the 2017-18 school year, Rim of the World Unified School District spent an average of \$11,123 of total general funds to educate each student (based on 2017-18 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Rim of the World Unified School District receives state and federal categorical funding for special programs. For the 2017-18 school year, the district received categorical, special education, and support programs funds for:

- Career and Technical Education Programs
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other State: Locally Defined
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Title I
- Title II
- Title III

Expenditures Per Pupil and School Site Teacher Salaries 2017-18					
	Dollars Spent per Student				
	School	District	% Diff. School & Dist.		% Diff. School & State
			State		
Total**	\$11,389	N/A	N/A	N/A	N/A
Restricted	\$471	N/A	N/A	N/A	N/A
Unrestricted	\$10,917	\$19,169	56.95	\$7,507	145.44
Average Teacher Salary	\$75,477	\$70,313	107.34	\$72,949	103.47
