Dear Students and Parents,

The counseling department at Rim of the World High School is looking forward to meeting the incoming class of 2024. Due to the school closures, the process of selecting your courses for 9th grade has changed. This letter is to inform you of the process we are implementing for students to choose their classes for the 2020-2021 school year.

A 9th grade course selector sheet is enclosed for you. All 9th graders are required to take English 1, Math, Biology, PE, and a semester of Health and Intro to Technology. Thus, students may choose one elective course in addition to their required courses.

We'd like every student to select their elective class choices. Please select 5 elective courses that you're interested in taking. We'd like you to prioritize your choices by putting the #1 next to your first choice, #2 next to your second choice, #3 next to your third choice, #4 next to your fourth choice, and #5 next to your fifth choice. When making your choices, please notice courses that require prerequisites and/or approval.

Rim offers Honors English 1. Students who would like to challenge themselves and enjoy Language Arts may select English 1 Honors. Your counselor will determine if a student is eligible by reviewing grades, standardized test scores, attendance, and teacher recommendations. Students are selected for the Honors Math class by similar criterion.

The Leadership and AVID classes require an application. Applications will be available on Rim of the World Website under the **"programs and activities"** tab. Paper copies will be available at the High School on Wednesdays from 10:00-2:00.

We'd also like to know if you're interested in participating in after-school athletics. Please circle a sport you would like to join by circling it on your card. Student athletes may participate in a maximum of one sport per season.

Finally, parents, please sign the course selector sheet on the parent signature line.

We are asking that the completed course selector sheets be returned on or before April 17, 2020. Please return them in one of these ways:

1. Scan or take a picture of the completed course selector sheet and email to claudia_marshall@rimsd.k12.ca.us

or

2. Mail it to: Rim of the World High School
Attn: Claudia Marsh
P.O. Box 430
Lake Arrowhead, CA 92378

It's important that students have a voice in their elective course selection. Completion of this process will let your counselor know your preferences. You can contact your counselor by email if you have any questions.

Sincerely,

Kathy DuBois
