MPH School Safety Committee 11/13/20

Review of the School Safety Plan

- Any recommended changes to the plan
- No changes to the plan at this point but will look for any nuances for the mountain environment.
- Changes will be made for virtual learning once the checklist has been received from the DO.
- During in climate weather people not wearing the proper shoes and that people need to be cognizant of what they are wearing and where they are walking. Add that to the safety matters in the staff room.
- Ensure that custodial have enough salt on hand to use in inclement weather.

Review of site safety

- Any recommendations for securing the site
- Counting water fountains to be locked.
- Security will ensure side gate locked at 330 (security B)
- Couple more windows in the library need to be fixed.
-

We have not received updates for virtual learning, as soon as we receive those documents the recommended changes will be made and I'll send the school safety plan back out to you for review.
