

**Rim of the World Unified School District
7-12 Full-time Independent Study Application**

The Odysseyware online software curriculum will be used by the student with a highly qualified credentialed ROWUSD on the other end for each different subject area. The student will learn the material on their own working through the software and can ask questions or get more instruction from the teacher as needed. They will be able to work on the material on their own schedule as long as they complete the work by the end of the semester. The student will have to go to the school site when they need to take unit tests proctored by the teacher. The student(s) will be able to participate in sports and enrichment activities at the school if so desired by the parent.
