 RE: Personal Protective Equipment and Other Materials

ROWUSD has procured items that are considered essential equipment to ensure safeguards for staff and students. This includes Personal Protective Equipment (PPE), which is defined as equipment needed by staff to perform their job safely such as face coverings, hand sanitizers, disinfectants, gloves, and other materials. This also includes adjustments to facilities to respond to the unique needs of the moment.

The following chart identifies current inventory as of 10/29/2020.

Item	Total	Notes
Masks	29,994	Cloth, N-95, surgical and face shields for staff and students
Hand Sanitizer	584	Gallons
Dispenser Units	1,040	Units for school sites and departments in other buildings
Air Purifiers	239	1 per classroom, 2 per isolation room, and 80 for additional locations at school sites and other district properties
Fans	180	1 per classroom to bring outside air in when feasible
Thermometers/Temperature Checking Stations	88	Count represents handheld thermometers and standing temperature checking stations for school entrances
Signage	4,349	Posters, floor decals for social distancing, & banners
Disinfectant Spray and Wipes	627	Containers
Disinfectant Sprayers	381	Spray bottles, hand held sprayers, and backpack sprayers for custodians
Shields	4,234	Student and staff individual desk shields/sneeze guards
Gloves	13,500	Pairs of gloves
Isolation Gowns	150	For isolation rooms

- This is the minimum amount the district has procured. Other departments and school sites have made their own purchases that are not reflected in the above chart.
