RE: Letter to Governor Newsom

The ROWUSD Board of Education would like the community to know that we are sending the attached letter to Governor Newsom via mail and fax. Our board members have been meeting with employees and parents at their Time with Trustee meetings. They felt that in response to listening at those meetings a letter needed to be board approved asking the Governor to leave testing as an option for those that do not want to be vaccinated giving choice. Please read the attached letter being sent today. We encourage you to attend future Time with Trustee meetings and thank you for your attendance.
